

Finance Director

Salary £75,000 per annum plus Relocation Package

Hull College Group is moving to the next stage in its development and is now looking to recruit an experienced finance professional reporting to the CEO. This will involve an exciting agenda for change with opportunities to contribute to moving the Group forward.

Candidates must hold a professional accountancy qualification (CIMA, ACCA, ACA) and be able to demonstrate practical experience at a senior management level. The successful applicant will be expected to lead and take responsibility for all finance and funding functions, in the first instance and to contribute to the Senior Team's leadership of the Group. The successful candidate will be expected to shape the future of this role and there may be the opportunity for it to expand to cover other functions.

Experience at executive level is essential and relevant experience in a further education college, whilst not essential, would be a distinct advantage. A copy of the Job Description and Person Specification for this post may be downloaded from MCA Cooper Associates' Web Portal HAMSTER by accessing the following internet address:

<https://hamster.mcacoopers.com/> and using the Username - HULLFD and password - FINDIR

Apply to enquiries@mcacoopers.com including a current CV. For an informal discussion of the role ring Malcolm Cooper on 07950 931389.

Closing date for emailed applications: Monday 12th November (12pm)
Initial Interviews will be held at the College on Thursday 15th & Friday 23rd November
and the final selection will be made on Thursday 29th November 2018.
